

1/8/17

Greetings to all Sydney Build 2018 Expo exhibitors.

Hello, my name is David Freeman from Brands in Motion.

We are a leading Sydney Promotional Merchandise business who specialise in providing businesses with a wide selection of branded merchandise for both internal or external use. ie

Uniforms both Hi-Vis or Business/casual attire,
Promotional giveaways,
Annual Golf events,
Product launch gift ideas etc etc

with Conference and Trade events merchandise a key fulfilment category.

Although 2018 may seem very distant, Brands in Motion are keen to discuss and understand new or existing supply opportunities with your business. Therefore, for the remainder of 2017 moving forward into Sydney Build Expo 2018 and beyond, we are excited to announce a SPECIAL OFFER as negotiated through Oliver Kinross for all 2018 Sydney Build exhibitors.

Irrespective of order value, a 10% discount will apply off your first order. This applies whether you are interested in having your business name applied to merchandise now, leading into Christmas or of course Sydney Build Expo 2018. On top of this, we guarantee to better any competitor offers although we're confident you will find our pricing highly competitive.

With the huge network of Brand name and generic suppliers at our disposal, in the unlikely event you are unable to find exactly what you have ordered in the past, we are more than happy to assist once brand or model number details have been provided so that we can make an enquiry with the appropriate suppliers and provide you with a quote.

We like your business understand the benefits of client retention and are keen to build long standing relationships and ensure we fulfil your requirements for all opportunities presented.

Please direct all enquiries to myself (see top right) with code word **Syd Build 2018** to take advantage of your 10% discount. Please visit: www.brandsinmotion.net.au

We look forward to meeting and or discussing your future requirements and working together to make Sydney Build Expo an ongoing annual destination and important event in your calendar.

Warm regards

David Freeman
Director
